

## PERFECTLY BALANCED

Renowned South African artist and designer, Carrol Boyes, has created the perfect balance between art and function with her Modern Classics gift and homeware range. Inspired by the human form and the beauty of nature, Boyes' Milk Jug and Lily Sugar Bowl make the perfect gift for Mother's Day. Check out [carrolboyes.com](http://carrolboyes.com)

## FOUNTAIN OF 'JUICE'

Those days of slow, laborious juicing are over, thanks to Breville's new Juice Fountain Cold XL. This state-of-the-art juicer is exceptionally fast and quiet, and has the widest feed chute on the market, so you can create more litres at once and significantly reduce preparation time. ## ROK ON

Bubbling away with probiotics and antioxidants, rok kombucha is handcrafted in WA's Margaret River using only the highest-quality, organic ingredients. These include locally sourced teas and cold-pressed juices, native herbs and pure Margaret River rainwater. You'll find rok in classic, berry beats & ginger pop.
